

CAMP NORDIC OUTINGDAY 1/8-2018

The whole camp will go to the small village Jelling about 30 minutes of travel by car/bus. All outposts care for their own travel. We arrange directions and parking.

We will visit the museum called “home of the Viking kings”. It’s a modern museum with lots of practical interactions and hand on experiences. It tells the story about the Vikings journey to become Christians using pictures, videos, illustrations, computers...

It will be a schedule for when your outpost can visit the museum. All of us can't be inside at the same time, so it's important that we follow the schedule. The museum is open to other guests, so we need to respect that we don't own the place.

More information about the museum: <https://en.natmus.dk/museums-and-palaces/kongernes-jelling-home-of-the-viking-kings/>

Outside the museum is a large area of monuments and the small church. Everywhere you can read in English about the things you see.

Norway will arrange some sort of activities outside the museum.

You are also welcome to bring your football, Frisbee, Vikinggame/Kubb/Kinggame....

The small village has two small grocery stores, a couple of cafés and a beautiful nature.

We encourage everyone to wear their uniform that day.

We hope that we will have a joyful day in Jelling.
