

Friday 3/8-2018 is a day when you can choose as a outpost to see Denmark by yourself. The campsite is open until Saturday at 12:00, so you can go somewhere and come back for a sleep and then go home Saturday. You need to arrange for your own food though.

Please send an email to rrdanmark@betania.dk, if you would like to stay until Saturday.

Here is a list with links to different places not too far away.
